By clicking on the top navigation bar, sidebar menu items and interactive icons found in the lower right hand corner of all pages, you can jump to specific sections within this guide.

[PRINT](#)[One page BACK](#)[HOME page](#)[One page FORWARD](#)[PREVIOUS](#)[View PLAN RATES](#)

Dear team member,

Goodwill Central Texas is pleased to introduce our team member benefits plan offerings, designed specifically to benefit you, effective January 1, 2025.

This guide provides an overview of the benefits available to you as a Full-Time team member of **Goodwill Central Texas**.

Goodwill Central Texas is dedicated to providing its team members with a comprehensive benefits program—the cost of which is primarily funded by **Goodwill Central Texas**. As a company, **Goodwill Central Texas** appreciates the role that team member benefits play as a critical component of a team member's compensation package. We make every effort to provide the best quality benefit plans for our valued team members and their families.

Please take the time to carefully review the enclosed benefit information. If you have any questions, please contact the Benefits Department.

Sincerely,

Goodwill Central Texas Benefits Department

ELIGIBILITY

QUALIFYING LIFE EVENTS

BENEFITS ELECTION

MAKING CHANGES TO YOUR BENEFITS ONLINE

If you are a Full-Time team member, working at least 30 hours per week, you are eligible for the **Goodwill Central Texas** benefits program. For newly hired individuals, most benefits become effective on the first of the month after you have completed 60 days of full-time employment. You may also enroll your eligible dependents for coverage. Eligible dependents include:

- Your legal spouse or qualified domestic partner (of the same/ opposite sex), and any domestic partner children;
- Children under 26 years of age regardless of student, dependency, or marital status;
- Children over 26 years of age who are fully dependent on you for support due to a mental or physical disability (and are indicated as such on your federal tax return).

For details on eligibility and when your benefits begin and end, refer to your summary plan documents.

BENEFITS END

Your medical, dental, vision, voluntary life and voluntary AD&D end on the last day of the month your employment ends. Your life and AD&D coverage ends the day of your termination from **Goodwill Central Texas**.

QUALIFYING LIFE EVENTS

WELCOME

ELIGIBILITY

QUALIFYING LIFE EVENTS

BENEFITS ELECTION

CHANGING BENEFITS AFTER ENROLLMENT

During the year, you cannot make changes to your elections unless you experience a Qualifying Life Event (QLE), such as marriage or birth of a child. If you experience a QLE, you should contact your Human Resources Business Partner within 30 days of the event, or you will have to wait until the next annual open enrollment period to make changes.

QUALIFYING LIFE EVENT	POSSIBLE DOCUMENTATION NEEDED
CHANGE IN MARITAL STATUS	
MARRIAGE	Copy of marriage certificate
DIVORCE/LEGAL SEPARATION	Copy of divorce decree
DEATH	Copy of death certificate
CHANGE IN NUMBER OF DEPENDENTS	
BIRTH OR ADOPTION	Copy of birth certificate or copy of legal adoption papers
STEPCHILD	Copy of birth certificate plus a copy of the marriage certificate between the member and spouse
DEATH	Copy of death certificate
CHANGE IN EMPLOYMENT	
CHANGE IN YOUR ELIGIBILITY STATUS (EX. FULL-TIME TO PART-TIME)	Notification of increase or reduction of hours that changes coverage status
CHANGE IN YOUR SPOUSE'S BENEFITS OR EMPLOYMENT STATUS	Notification of spouse's employment status that results in a loss or gain of coverage

For additional plan information, please refer to your detailed plan design provided by the carrier. In the event of a discrepancy, the carrier Plan Document shall prevail.

BENEFITS ELECTION

WELCOME

ELIGIBILITY

QUALIFYING LIFE EVENTS

BENEFITS ELECTION

If you are a new hire, you have 31 days from your date of hire to finalize your online enrollment. It is essential to complete your enrollment within this timeframe to ensure you receive benefit coverage for the plan year.

BEFORE YOU ENROLL

- Carefully review the benefits outlined in this guide to assess which medical, dental, vision, and other coverage options best suit your needs and those of your family.
- Verify all family members meet the eligibility requirements.
- Understand the costs associated with the plans you have chosen.
- Prepare your beneficiary and dependent information in advance for online enrollment.

If you have questions regarding your benefits, please contact the benefits team at: benefits@goodwillcentraltexas.org.

ADP WORKFORCE NOW

Enrollment made easy with ADP Workforce Now! You will need the credentials you created during your new hire process to access the benefit enrollment portal. To enroll, follow these steps:

1. Log into **ADP**.
2. Select the **"Myself"** tab, navigate to **"Benefits"** and select **"Enrollments."**
3. Follow the enrollment instructions and select the **"Start"** button to begin making elections.

Search for the ADP mobile app in the App Store or Google Play to get started!

IMAGINE360 MEDICAL PLAN MOBILE APP & ONLINE ACCESS

Manage your benefits anytime, anywhere using miBenefits mobile app or through the portal: mibenefits.imagine360.com

- Search for a provider.
- Track your claims and deductibles in real-time, print ID cards, view plan information, and more.
- Integrated messaging directly with the Imagine360 team via portal or app.

Goodwill Central Texas' medical coverage, through Imagine360, provides you and your family the protection you need for everyday health issues or unexpected medical expenses.

HOW MEDICAL COVERAGE WORKS

When you enroll in medical coverage, you pay a portion of your health care costs when you receive care and the plan pays a portion, as detailed below. Note that preventive care—like physical exams, flu shots and screenings—is always covered 100% when you use in-network providers. The key difference between the plans is the amount of money you'll pay each pay period and when you need care. The plans have different deductibles, copays, coinsurance, and out-of-pocket maximums.

- **Deductibles**—the amount you pay each year for eligible in-network and out-of-network charges before the plan begins to pay a portion of the costs.
- **Copays**—a fixed amount you pay for a health care service. Copays do not count toward your annual deductible but do count toward your annual out-of-pocket maximum.
- **Coinsurances**—once you've met your deductible, you and the plan share the cost of care, which is called coinsurance. For example, you pay 20% for services and the plan pays 80% of the cost until you reach your annual out-of-pocket maximum.
- **Out-of-pocket maximums**—the most you will pay each year for eligible in- and out-of-network services, including prescriptions. After you reach your out-of-pocket maximum, the plan pays the full cost of eligible health care services for the rest of the year.
- **Prescriptions**—For the HDHP/HSA Plan, once you have met the prescription deductible, you are responsible for the applicable copays until you reach the out-of-pocket maximum for the Plan Year. For the other plans, you are responsible for the applicable copays until you reach the out-of-pocket maximum for the Plan Year.

BEFORE YOU ENROLL

- Think about the per-pay-period cost and out-of-pocket expenses you will incur and your possible future medical expenses. The option that has the highest per-pay-period cost typically pays more, which results in lower deductibles, coinsurance, and/or copays when you need care.
- Using an in-network provider can streamline your experience. Ensure your doctor is in the plan's network by visiting miBenefits.imagine360.com. To find a provider, select HealthSmart network and Partners Direct Health network. If your doctor is out-of-network, you may pay more for your medical services.

goodwill

EXPLANATION OF BENEFITS

An Explanation of Benefits (EOB) is a statement from your health plan to let you know how a claim will be processed. It shows information about services received, the provider and date of service. It is not a bill.

Pay special attention to the following important areas of your EOB:

- Basic information about the claim, including the patient ID and the EOB number.
- Overview of the services rendered, dates of services, the charges submitted, and how the plan benefits were applied.
- Explanation of the codes used when applying benefits. This box may also include comments regarding your claim. Please read this section to see if you need to take any action.
- The amount applied to the deductible, as well as the copay and coinsurance amounts. The total due to provider is the amount you owe.
- Compare the amount to any bill you get from your provider. If they do not match, call the number on your Benefits ID card.

PREVENTIVE CARE

Your health plan includes preventive care, which is a critical step you can take to manage your health. A condition diagnosed earlier is usually easier to treat. Also, regular checkups can help you and your doctor identify lifestyle changes you can make to avoid certain conditions.

Please note that coverage for screenings varies by health plans. For a list of preventive services covered by your health plan, please call the number on your Benefits ID card.

PRICE PROTECTION AND BILLING SUPPORT

While you focus on getting better, we focus on the bills. We do the hard work, so you can stop worrying about costs and have peace of mind that what you are paying is fair.

Here are three simple things that you need to do:

- Compare bills from your provider to the EOB from your health plan.
- Send the bill to us if they do not match (mail, fax or email), so we can work on your behalf.
- Watch your mail for any additional provider bills to send to us.

ID CARD

Call the number on your ID Card (**800.903.4360**), if you:

- Have questions about your benefits.
- Need to find a provider.
- Need help with a claim.
- Would like to discuss a health concern with a nurse.

DENTAL PLAN

VISION

TELEMEDICINE

A Health Savings Account (HSA) is a personal savings account that you own and can use to pay for qualified out-of-pocket medical expenses now or in the future. Your HSA contributions and earnings from interest or investments are tax-free. Plus, as long as used toward qualified medical expenses, the money you spend from your HSA is also tax-free. Your HSA can be used to pay for your healthcare expenses and those of your spouse and dependents, even if they are not covered by the High Deductible Health Plan (HDHP).

ELIGIBILITY

Anyone who is:

- Covered by a High Deductible Health Plan (HDHP);
- Not covered under another medical plan that is not a High Deductible Health Plan (HDHP);
- Not entitled to Medicare benefits; or
- Not eligible to be claimed on another person's tax return
- Not covered under your or your spouse's Flexible Spending Accounts (FSAs), except for Limited Purpose FSA

YOUR CONTRIBUTIONS

You can contribute up to the IRS maximum of \$4,300/individual or \$8,550/family in 2025. You can make an additional "catch-up" contribution of \$1,000 per year if you are age 55 or older.

ELIGIBLE EXPENSES

You can use your HSA to pay for medical, dental, vision and prescription drug expenses incurred by you and your eligible family members.

USING YOUR ACCOUNT

Use the WEX debit card linked to your HSA to cover eligible expenses—or pay for expenses out of your own pocket and save your HSA dollars for future healthcare expenses.

YOUR HSA IS ALWAYS YOURS - NO MATTER WHAT

One of the best features of an HSA is that money left over at the end of the year remains in the account so you can use it the following year or at any time in the future.

KIS IMAGING

DENTAL

DENTAL PLAN

VISION

TELEMEDICINE

A Health Reimbursement Arrangement (HRA) is an account set up for you by **Goodwill Central Texas** to reimburse you for medical expenses with pre-tax dollars. If you enroll in the Base Medical Plan, **Goodwill Central Texas** contributes funds on your behalf, and you are not taxed on these contributions. Even though you cannot contribute to this fund, you can use your HRA dollars as reimbursement for eligible medical, dental, and vision expenses.

HOW AN HRA WORKS

- You must be enrolled in the Base Medical Plan.
- **Goodwill Central Texas** covers the first \$1,000 of out-of-pocket expenses for individuals; the first \$2,000 of out-of-pocket expenses for a family.
- Your HRA pays your eligible copays, prescription copays, deductible and coinsurance amounts, as long as funds are available.
- After you use all of your HRA funds, you pay for your services until you satisfy the out-of-pocket maximum.
- This fund does not transfer if you leave **Goodwill Central Texas**.

DENTAL

DENTAL PLAN

VISION

TELEMEDICINE

The Flexible Spending Accounts (FSAs), administered by WEX, allow you to pay for eligible healthcare and dependent care expenses using tax-free dollars. There are two types of FSAs—the Healthcare FSA and the Dependent Care FSA:

- A Healthcare FSA for eligible medical, dental or vision expenses not paid for by health insurance.
- A Dependent Care FSA to cover childcare expenses for children up to age 13 or other eligible dependents.

The maximum team member contributions to an FSA for 2025 is **\$3,300** for Healthcare and **\$5,000** for Dependent Care*. The IRS requires that any participant wishing to enroll or re-enroll in these plans actively enrolls each plan year.

You have until March 31, 2026 to submit claims incurred during the 2025 plan year. At the end of the calendar year, participants can rollover up to \$660 of unused health care funds. Any remaining funds exceeding \$660 will be forfeited per IRS regulations.

NOTE: *You cannot enroll in both the HSA and FSA. Please make elections accordingly.*

ACCOUNT TYPE	EXAMPLES OF ELIGIBLE EXPENSES	CONTRIBUTION LIMITS	ACCESS TO FUNDS	PRE-TAX BENEFIT
HEALTHCARE FSA	• Medical Plan Deductibles • Prescription Drugs • Some OTC medicines • Vision Exams/ Glasses/ Contacts • Laser Eye Surgery	There is no minimum contribution per year Maximum contribution is \$3,300 for the 2025 plan year	Allows immediate access to the entire contribution amount from the 1st day of the benefit year, before all scheduled contributions have been made	• Save 20% - 40% on your health care expenses • Reduce your taxable income. • Save on eligible purchases not covered by insurance
DEPENDENT CARE FSA	• Daycare • Day Camp • Eldercare • Before and After School Care	There is no minimum contribution per year Maximum contribution is \$5,000 for the 2025 plan year	You will be able to submit claims up to your year-to-date accumulated amount in your account (You will only be reimbursed based on your accumulated contribution amounts)	• Save 20% - 40% on your health care expenses • Reduce your taxable income

Many over-the-counter drugs are covered under the Healthcare FSA.

Team members may be required to provide substantiation to complete the processing of your claim and are responsible to check your balances.

DENTAL

DENTAL PLAN

VISION

TELEMEDICINE

Maintaining your oral health isn't just beneficial; it's essential for long term well-being. By emphasizing prevention, early detection, and treatment, dental coverage significantly lowers expenses related to restorative and emergency procedures. Preventive services at in-network providers are typically covered at no cost, encompassing routine exams and cleanings. Basic and major services require a modest deductible and coinsurance.

You have the option to enroll yourself and your eligible dependents in a dental plan or choose to waive coverage altogether. It's important to note that enrollment in medical coverage is not a prerequisite for selecting a dental plan.

For more information on finding a dental provider using the UNUM Dental network, visit unumdentalcare.com and select "**Find a Dental Provider.**"

BEFORE YOU ENROLL

- Most in-network preventive cleanings and exams are covered at 100%.
- You may receive dental care in- or out-of-network. However, when you go out of network, the provider can charge more and the plan will only reimburse up to the reasonable and customary rates.

IMMEDIATE, CONVENIENT ACCESS TO CARE!

We have partnered with Recuro Health and are proud to provide you with 24/7/365 access to emergency medicine trained providers and experienced Master's and PhD level trained counselors.

MEDICAL ISSUES AND INJURIES

You now have unlimited access to emergency medicine trained, board certified, compassionate Physicians and Physician Assistants who can diagnose and treat any medical issue or injury you have via phone or secure video. The Recuro team can also prescribe medications when appropriate, order diagnostic tests, and assist you with in-person medical treatment when necessary.

MENTAL HEALTH AND SUBSTANCE ABUSE COUNSELING

You also receive unlimited 24/7 access to phone consults with trained counselors for confidential mental health and substance abuse counseling. You can speak with a counselor for help with everyday stressors, child and family issues, anxiety and depression, and more.

To get started, download the "Recuro Care" mobile App, or visit mibenefits.imagine360.com/login

BASIC LIFE AND AD&D

BASIC LIFE AND AD&D

VOLUNTARY LIFE AND AD&D

LONG TERM DISABILITY

VOLUNTARY DISABILITY

VOLUNTARY AND ACCIDENT
INSURANCE

CRITICAL ILLNESS

HOSPITAL INDEMNITY

Life insurance, provided by Unum, pays a lump-sum benefit to your beneficiaries to help meet expenses in the event you pass away. Accidental Death and Dismemberment (AD&D) insurance pays a benefit if you die or suffer certain injuries as the result of a covered accident. In the case of a covered accidental injury (such as loss of sight or the loss of a limb), the benefit you receive is a percentage of the total AD&D coverage you elected based on the severity of the accidental injury.

BENEFICIARY INFORMATION

Situations often change, resulting in the need to update beneficiary information. You should review and update this information every year, or prior to retirement. Check with your People and Culture team for more information.

BASIC LIFE / AD&D INSURANCE - FOR TEAM MEMBERS	
COVERAGE AMOUNT	Part-Time team members: \$10,000
	Full-Time team members: One times your basic annual earnings, up to a maximum of \$250,000
EVIDENCE OF INSURABILITY (EOI) / PROOF OF GOOD HEALTH	Not Required
AGE REDUCTION SCHEDULE	Part-Time team member benefit reduces by:
	35% at age 65
	55% at age 70
	80% at age 80
	Full-Time team member benefit reduces by:
	35% at age 65
	50% at age 70

IMPUTED INCOME

Under current tax laws, imputed income is the value of your basic life insurance that exceeds \$50,000 and is subject to federal income, Social Security and state income taxes, if applicable. This imputed income amount will be included in your paycheck as shown in your W-2 statement.

VOLUNTARY LIFE AND AD&D

VOLUNTARY AND ACCIDENT
INSURANCE

CRITICAL ILLNESS

HOSPITAL INDEMNITY

Voluntary Life and AD&D insurance from Unum allows you to tailor coverage for your individual needs and provide financial protection for your beneficiaries in the event of your death or accidental serious injury. When you cover yourself, you can add coverage for your dependents to help protect your family during difficult times.

VOLUNTARY LIFE AND AD&D INSURANCE—FOR YOU AND YOUR DEPENDENTS

	TEAM MEMBER	SPOUSE	CHILD(REN) UP TO AGE 26
COVERAGE AMOUNT	Increments of \$10,000 up to \$500,000, not to exceed five times your salary	Increments of \$5,000 not to exceed team member's coverage	Increments of \$2,000 to a maximum of \$10,000; \$1,000 for children live birth to six months
GUARANTEED ISSUE (GI)	\$200,000	\$20,000	\$10,000
EVIDENCE OF INSURABILITY (EOI)/ PROOF OF GOOD HEALTH	Newly Eligible: Enroll up to GI without EOI Open Enrollment: Increase or enroll up to GI without EOI Currently Enrolled w/ Change in Status: EOI required	Newly Eligible: Enroll up to GI without EOI Open Enrollment: Increase or enroll up to GI without EOI Currently Enrolled w/ Change in Status: EOI required	Not Required

BEFORE YOU ENROLL CONSIDER THIS:

- Typically, the right amount of coverage will depend on your age, your family situation, and any personal savings you may have.
- It's important to understand any EOI rules that apply. If you enroll when you first become eligible, Voluntary Term Life Insurance for you and your spouse is guaranteed up to the amounts shown in the table. If you initially waive this coverage but want to enroll at a later date, you may need to provide satisfactory EOI before any coverage can take effect.
- Think about who you want to designate as beneficiaries and make sure to name them as beneficiaries on your policy.
- The cost of coverage depends on your age, status and amount of benefit elected. Please refer to the online enrollment portal for assistance calculating your premiums.

**VOLUNTARY AND ACCIDENT
INSURANCE**

CRITICAL ILLNESS

HOSPITAL INDEMNITY

Voluntary Benefits help fill the gaps not covered by a medical plan, such as deductibles, co-pays, prescription costs, or just everyday living expenses like rent or groceries. These paycheck-deducted plans pay benefits directly to the insured to use as they see fit and can help complement your entire benefit package. Voluntary benefits can also be taken with you if you change jobs or retire.

Goodwill of Central Texas is excited to offer NEW Accident, Critical Illness and Hospital Indemnity insurance from Chubb Insurance to help round out your complete benefit package.

ACCIDENT INSURANCE

This benefit pays for specific injuries and treatments resulting from a covered accident, such as, but not limited to: broken limbs, lacerations, burns, and concussions. Medical services like ambulance travel, emergency room visits, X-rays and physical therapy are also covered. This plan includes a wellness benefit of \$50 – simply visit a doctor for a covered health screening test and file the claim to receive the benefit.

BENEFIT SAMPLING:	CHUBB PAYS:
ACCIDENT FOLLOW-UP VISIT	\$25
X-RAYS	\$20
EMERGENCY ROOM VISIT	\$75
MAJOR DIAGNOSTIC TESTS	\$100
PHYSICAL THERAPY	\$25 (6x)
FRACTURES	Up to \$5,000
BURNS	Up to \$7,500
LACERATIONS	Up to \$300
WELLNESS BENEFIT	\$50

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996 (NEWBORN'S ACT)

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

THE WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA, ALSO KNOWN AS JANET'S LAW)

Under WHCRA, group health plans, insurance companies and health maintenance organizations (HMOs) offering mastectomy coverage must also provide coverage for reconstructive surgery in a manner determined in consultation with the attending physician and the patient. Coverage includes reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, and prostheses and treatment of physical complications at all stages of the mastectomy, including lymph edemas. Call your Plan Administrator for more information.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)

QMCSO is a medical child support order issued under State law that creates or recognizes the existence of an "alternate recipient's" right to receive benefits for which a participant or beneficiary is eligible under a group health plan. An "alternate recipient" is any child of a participant (including a child adopted by or placed for adoption with a participant in a group health plan) who is recognized under a medical child support order as having a right to enrollment under a group health plan with respect to such participant. Upon receipt, the administrator of a group health plan is required to determine, within a reasonable period of time, whether a medical child support order is qualified, and to administer benefits in accordance with the applicable terms of each order that is qualified. In the event you are served with a notice to provide medical coverage for a dependent child as the result of a legal determination, you may obtain information from your employer on the rules for seeking to enact such coverage. These rules are provided at no cost to you and may be requested from your employer at any time.

SPECIAL ENROLLMENT RIGHTS (HIPAA)

If you have previously declined enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to

enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Special Enrollment Rights CHIPRA – Children's Health Insurance Plan

You and your dependents who are eligible for coverage, but who have not enrolled, have the right to elect coverage during the plan year under two circumstances: You or your dependent's state Medicaid or CHIP (Children's Health Insurance Program) coverage terminated because you ceased to be eligible. You become eligible for a CHIP premium assistant subsidy under state Medicaid or CHIP (Children's Health Insurance Program). You must request special enrollment within 60 days of the loss of coverage and/or within 60 days of when eligibility is determined for the premium subsidy.

COVERAGE EXTENSION RIGHTS UNDER THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents (including spouse) for up to 24 months while in the military. Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions for pre-existing conditions except for service-connected injuries or illnesses.

MICHELLE'S LAW

Michelle's Law permits seriously ill or injured college students to continue coverage under a group health plan when they must leave school on a full-time basis due to their injury or illness and would otherwise lose coverage.

The continuation of coverage applies to a dependent child's leave of absence from (or other change in enrollment) a postsecondary educational institution (college or university) because of a serious illness or injury, while covered under a health plan. This would otherwise cause the child to lose dependent status under the terms of the plan. Coverage will be continued until:

One year from the start of the medically necessary leave of absence, or

The date on which the coverage would otherwise terminate under the terms of the health plan; whichever is earlier.

MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT OF 2008

This act expands the mental health parity requirements in the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Services Act by imposing new mandates on group health plans that provide both medical and surgical benefits and mental health or substance abuse disorder benefits. Among the new requirements, such plans (or the health insurance coverage offered in connection with such plans) must ensure that:

The financial requirements applicable to mental health

or substance abuse disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance abuse disorder benefits.

GENETIC INFORMATION NON-DISCRIMINATION ACT (GINA)

GINA broadly prohibits covered employers from discriminating against an employee, individual, or member because of the employee's "genetic information," which is broadly defined in GINA to mean (1) genetic tests of the individual, (2) genetic tests of family members of the individual, and (3) the manifestation of a disease or disorder in family members of such individual.

GINA also prohibits employers from requesting, requiring, or purchasing an employee's genetic information. This prohibition does not extend to information that is requested or required to comply with the certification requirements of family and medical leave laws, or to information inadvertently obtained through lawful inquiries under, for example, the Americans with Disabilities Act, provided the employer does not use the information in any discriminatory manner. In the event a covered employer lawfully (or inadvertently) acquires genetic information, the information must be kept in a separate file and treated as a confidential medical record and may be disclosed to third parties only in very limited situations.

NO SURPRISES ACT

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays, and the full amount charged for a service. This is called "balance billing." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You can't be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers can't balance bill you and may not ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers can't balance bill you, unless you give written consent and give up your protections. You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have these protections:

You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.

Generally, your health plan must:

- o Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").

- o Cover emergency services by out-of-network providers.

- o Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.

- o Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

PREMIUM ASSISTANCE UNDER MEDICAID AND CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272). If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility –

To see if any other states have added a premium assistance program since July 31, 2024, or for more information on special enrollment rights, contact either:

U.S. Department of Labor Employee Benefits Security Administration www.dol.gov/agencies/ebsa 1-866-444-EBSA (3272)

U.S. Department of Health and Human Services Centers for Medicare & Medicaid Services www.cms.hhs.gov 1-877-267-2323, Menu Option 4, Ext. 61565

PAPERWORK REDUCTION ACT STATEMENT
According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2026)
